Education

University of Texas at Austin

Austin, TX

Bachelor of Business Administration

01/2021 - 01/2025

Strengths

Strong Analytical Skills

Developed data-driven insights during my internship, leading to actionable strategies for project optimization.

Effective Communication

Fostered open communication channels in multi-disciplinary teams, enhancing project success and teamwork.

Problem Solving

Led conflict resolution in a capstone project, ensuring smooth collaboration and successful project completion.

Interests

Technology Advancements

Enthusiastic about exploring new technology trends and their application in improving business processes.

Outdoor Activities

Enjoy hiking and exploring nature, which enhances my problem-solving skills and provides mental clarity.

Traveling

Passionate about experiencing diverse cultures, which expands my global perspective and enhances adaptability.
